UNITED WAY OF WASHINGTON COUNTY Member Agency Fundraising Policy

United Way of Washington County encourages member agencies to seek funding from a variety of sources year-round and will strive to permit the greatest amount of flexibility to its partners during the annual fall campaign.

POLICY PURPOSE: The purpose of this policy is to ensure a unified effort and positive results for the United Way of Washington County annual fall campaign while allowing our member agencies to succeed with their own fundraising activities.

RESTRICTED ACTIVITIES:

- United Way of Washington County funded agencies may not engage in non-United Way employee workplace solicitations at any time.
NOTE: While an agency may solicit its own employees, it may not solicit (or ask employees or volunteers to solicit) employee groups at other workplaces.
- United Way of Washington County funded agencies may not solicit businesses or corporate foundations within the geographic boundaries of the United Way of Washington County from August 15th – October 31st.
- United Way of Washington County funded agencies may not hold or allow a special event to be held on their behalf on the day of the United Way Campaign Kick-off, Mid-Campaign Event, or Community Celebration.

Any requests for an exception to a restricted activity due to unusual, extenuating circumstances, such as a response to a national disaster or agency emergency, should be made in writing to United Way for consideration.

An agency that elects non-support of this policy will have its funding levels and United Way affiliation reviewed by the Community Impact Committee and the United Way Board of Directors.
