AGENCY OVERVIEW

For 125 years, Lutheran Social Services (LSS) of Wisconsin and Upper Michigan, Inc. (LSS) has touched the lives of people across the world. LSS has served Washington County residents since 1936 when it began to provide counseling services through the Milwaukee office. A physical presence was later established to make counseling services available in the County. It receives funding from other area United Ways, including the United Way of Greater Milwaukee.
