EMERGING LEADERS

Join a team of young professionals who actively invest their time, talent, and resources to improve our community. The mission of the Emerging Leaders is to ignite and inspire one another by providing opportunities to lead, serve, and grow. This group is targeted at professionals that are 40 and under, but open to all that are young at heart.

LEADERSHIP DONORS

Leadership donors are a group of generous community leaders who are dedicated to creating meaningful change in Washington County by committing to a gift of \$1,000 or more. These donors set a powerful example through their investment in United Way, changing the lives of thousands of our neighbors each year.

LEGACY LEADERS

This special group is comprised of volunteers that have transformed Washington County through their involvement with United Way of Washington County over the years. Our Legacy Leaders include alumni campaign chairs, Board presidents, and Nelson Community Leader Awards recipients.

NEW: HERITAGE GIVING CIRCLE

What will your legacy be? Donors interested in making a lasting gift to our community can do so by establishing a planned gift and becoming a part of our new Heritage Giving Circle!
