United Way Campaign for 2027!

Team Delta, once again, our co-founders are offering an extraordinary match to help make an impact on the nonprofits in Washington County and across the country.

- Tim and Tonnie have agreed to match employee donations $1 for $1!!!
- In addition, Delta Defense will match your donation up to $250.

For example, if you donate $10 per paycheck, that is an annual employee donation of $260; with the Tim and Tonnie match and the Delta Defense match, the total donation becomes $770!!! Remote employees, you can direct donations to the United Way in the community where you live and work!

Employees can enter to win prizes. This year, we are awarding a $500 prize to **THREE** lucky winners (paid via payroll).

To be eligible to enter, you must contribute at least $2.50 per week or $5 per paycheck. Therefore, the minimum annual pledge is $130 for the campaign to be entered to WIN!

ALSO: We have ONE PRIZE (two seats) for the December 20th Packers vs. Dolphins Game at Lambeau Field. Go, Pack, Go! (WI-based employees)
